

## **Day in Day out**

**By Cindy Luc**

**Day in**

**Day out**

**Thoughts of how to keep moving**

**Race through my mind**

**Fear rushing through my body**

**Is my all enough**

**How do I keep pushing**

**Why do I keep pushing**

**What is the motivation to keep going**

**Then I see it**

**Their smiles**

**Their laughs**

**The connections built**

**The memories made**

**The stories told**

**The trust that they give me**

**Brings a fire to my heart**

**Makes my soul come alive**

**My all is enough**

**My efforts aren't unseen**

**My students**

**My family**

**My coworkers**

**Are why I go**

**Day in**

**Day out**
